Consent and Release

I acknowledge that the practice of skin care, including microablation, microdermabrasion, dermaplane, facials, chemical peels, waxing hair removal, laser treatments, various beauty treatments, and many others is not an exact science and that no specific guarantees can or have been made concerning the expected result. I understand that some clients experience more change and improvement than others. In virtually all cases, multiple treatments are required in order to realize a difference.

I also realize that the following risks and hazards may occur in connection with any particular treatment – including but not limited to: unsatisfactory results, poor healing, discomfort, redness, blistering, nerve damage, scarring, infection, changes in the skin’s pigment and sometimes increased hair growth. I understand that even though precautions may be taken in my treatment, not all risks can be known in advance.

Given the above, I understand that response to treatment varies on an individual basis and that specific results are not guaranteed. I also agree to hold harmless and release from any liability The Skin Center Wailea or any of its officers, directors, service providers or employees for any condition or results, known or unknown, that may arise as a result of any treatment I receive.
